

EQ-i Practitioner Workshop with Dr Reuven Bar-On

Overview

This workshop will help you to increase your mastery of the BarOn EQ-i™ tool. You will expand your knowledge and skill base in emotional intelligence assessment. You will also have the chance to network with practitioners.

The May 2007 workshop with Ei World includes a unique opportunity to meet and have dialogue with Dr Reuven Bar-On, the Author of the BarOn EQi.

Unique Benefits

1. Learn with the 'Father' of EQ, the person who has directly created the most valid and reliable measure of emotional intelligence and sharpen your skills.
2. Be at the cutting edge of EQ knowledge through up to date research, tools and methodologies.
3. Network with fellow EQ-i qualified professionals.
4. Enrich your practice and application of the EQ-i
5. Learn more about the EQ-i in a learning environment oriented to accelerating learning, enabling you to learn more effectively and go further than the average training programme.

This workshop will be over-subscribed so we advise you to book your place early to ensure you can participate.

Learning Objectives

- To define personal success criteria for the effective use of BarOn EQ-i™.

- To review effective structures for analysing BarOn EQ-i™ results to create breakthroughs for clients.
- To discuss and explore difficulties in BarOn EQ-i™ feedbacks particularly around lower EQ profiles.
- To learn about new research in emotional intelligence that you can add to your knowledge repertoire.
- To focus on Emotional Intelligence Modelling to assist organisational applications of the BarOn EQ-i.

Programme Hosts & Facilitators

Ei World is a well established provider of BarOn EQ-i™ training with a five-year track record of using Emotional Intelligence assessment tools and providing UK Accreditation programmes.

Dr Reuven Bar-On is a pioneer of emotional intelligence and author of the BarOn EQ-i. He will offer his unique perspective on measurement of emotional intelligence and to focus on implementation issues of the EQ-i. This will provide a seminal learning experience for all those qualified in the BarOn EQ-i. This workshop is available in the UK uniquely via Ei World.
